

```
detection_utils.utils.spatial  
_transform_ops.box_grid_coordinate  
_vectors
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'detection_utils.utils.spatial_box_grid_coordinate_vectors'. The right box is white and contains the text 'detection_utils.utils.spatial_coordinate_vector_1d'.

```
detection_utils.utils.spatial  
_transform_ops._coordinate  
_vector_1d
```
